"C" LICENSE

Applicants must be at least 18 years of age, and have earned a National "D" License certification held for a minimum of 12 months (attach a copy to application). "D" License certification may be waived under one of the following conditions:

- 1) Application received the NSCAA National Diploma and has held it for a minimum of 12 months.
- 2) Applicant has three (3) years coaching experience **AND** has three years playing experience with U.S. National Teams or three (3) years professional playing experience.

WAITING PERIOD: There is a mandatory waiting period of one (1) year between each level of license ("D" through "A").

EXAMINATIONS AND EVALUATIONS

Candidates undergo a challenging series of written, oral and practical examinations on a variety of subjects. Graded on a scale of 1 (high) to 5 (fail), candidates must receive passing scores in all test areas in order to become licensed. A single failing score in a theoretical subject qualifies for a re-test in that subject. All re-tests will take place at the conclusion of the course. A single failing score in either of the methodology subjects will result in a failing grade for the course with no re-testing. If a candidate is found deficient in only Game Awareness, he/she may still pass the course. *If an applicant misses any of the course sessions, he/she must return to a future school to participate in that session/lecture, even if the candidate has passed all of the testing areas. License will be withheld until this requirement is fulfilled.*

3.2 RULE

If "C" candidates receives a passing grade equaling 3.2 or above, they must wait two (2) years before attending a "B" course. However, if they audit a "B" course within that two-year period, they will be permitted to attempt the "B" License after the minimum 12-month waiting period.

Candidates will receive their results from the national office within 6-8 weeks following the conclusion of the course. Successful candidates will receive a license certificate and license card at that time.

NOTE: We strongly recommend that you be in "good" physical condition to meet the demands of the course.
